

This map displays the Fort Lauderdale area, highlighting watercraft mortality carcass locations. The map includes major roads such as SR 84, SR 931-75, and SR 9. A legend in the bottom left corner defines the symbols used: circles for watercraft mortality carcass locations, wavy lines for channels, thick black lines for limits of reach, and grey shading for adjacent reaches. A scale bar indicates distances up to 2 miles, and a compass rose shows the orientation. The map shows a high density of carcass locations along the coast and in the central urban area, with several locations marked with numbers (e.g., 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100).
